

### **ROCK AROUND THE CLOCK DANCE COMPANY**

For many years now, Prithvi has been a household name on the international jive scene, recognised and respected by students and fellow professionals for his amazing lead, unlimited database of fantastic moves/combinations and his teaching ability. His classes and workshops have always been extremely popular in India, specializing on technique but always maintaining an element of fun. Prithvi is now partnering his wife, Ree, and together they will be teaching in their regular dance lessons at Alliance Francaise de Bangalore, so dancers, grab them whilst you can for the intermediates class on every night!
